Eighty eight men set off from beneath the ramparts of Alicante's Castle of Santa Barbara, but only 36 would journey the full 37,000 miles to finish in the White Nights of St Petersburg. This is the story of the Volvo Ocean Race 2008-9. It's a story of endurance and of winners and losers, those who made it and those who didn't. DVD also included - running time 2hrs 35 mins
