## **PROFESSIONAL GOLFERS SAY 90% OF GOLF IS MENTAL**

It's true!

Your mind controls your actions and can be your best asset or your worst liability on the fairways. Nervousness, anxiety and stress can ruin any round of golf, while calm, clear thinking can have you playing like you never dreamed you could. Unfortunately, you can't consciously tell your mind to help you golf a better game--but with hypnosis you finally can:

## **USE YOUR MIND TO BECOME A BETTER GOLFER**

Hypnosis is used by many pros to improve their games because it works! Better Golf Hypnosis CD lets you experience the benefits for yourself and will improve your game by:

- ★ Using your subconscious mind to help you stay focused and calm
- ★ Strengthening the mind-body connection to make you better coordinated
- ★ Helping you maintain the correct form with every single swing
- ★ Allowing your mind to better aim, target and respond on the green

Become a better golfer with 3 tracks:

1. Introduction and full explanation of the program
2. Hypnotherapy for daytime
3. Hypnotherapy for night with alternate ending that will help you sleep better as an added bonus

## **BETTER GOLF OR IT'S FREE**

Mark Bowden understands that the idea that listening to a CD to become a better golfer may sound crazy, but he knows it works! That's because he's already used his methods to help thousands of sports people take their games to the next level. If you don't become a better golfer, he'll refund your money.

Have your friends or opponents wondering what your secret is! Stop wasting money on lessons and courses when your mind is the problem--not your technique! Get on the path to dominating the sport and becoming the golfer you've always dreamed of being. Order the Better Golf Hypnosis CD today!
