Correspondencia Joan Miró Unknown.

In 1958, world-renowned Spanish artist Joan Miró and esteemed French art critic Yvon Taillandier sat down for an in depth discussion on Miró's life and work. Their conversation, which provides one of the most illuminating and insightful looks into Miró's philosophy of art and creative process, was documented by Taillandier. Originally published in a limited edition of 145, it has long been lost to the general public. This beautiful new edition presents Miró's invaluable text in a striking package.
