## **Gran Diccionario Spain 4e C** From Oxford University Press

Compiled by an expert team of Spanish and English lexicographers, The Oxford Spanish Dictionary is the result of ten year's research. The compilers drew on a unique database of English and Spanish to create a dictionary that is authentic, contemporary, and lively. This second edition has been extensively revised and updated to provide the user with even more information and guidance. L Over 275,000 words and phrases, over 450,000 translations provide the most comprehensive and up-to-date coverage of the general, scientific, literary, and technical vocabulary of contemporary Spanish and English. L New - Extra help on grammar. Large boxed notes within the A-Z dictionary provide extended treatment of complex grammatical constructions while smaller in-text boxes offer additional help on particular words and their correct usage. L Subject boxes give immediate help and guidance needed on the use of vocabulary in areas such as colours, time, days, dates and months and sports. L Full coverage of Latin American Spanish and American English. The dictionary covers 25 varieties of Spanish, more than any dictionary of comparable size. L Effective Communication Guide. 30 pages of practical guidance including a guide to writing letters, job applications and CVs, and model letters for every situation from booking a hotel room to writing to a newspaper. L Accessible and clear. The typography and page layout of the dictionary have been specially designed for optimum clarity and accessibility. L Real Spanish. Thousands of example sentences, taken from real speech and written sources, guide the user to the most accurate translation.
