Ivory Press' new "C Photo" series is a five-year project that follows on the heels of "C Photo" magazine. This second volume of "C Photo" has been published to celebrate the exhibition "Art for Venice," held at the 2011 Venice Biennale and curated by Elena Ochoa Foster. Ivorypress is collaborating with the Venice in Peril Fund and several other institutions in a major artistic initiative to raise money for the massive infrastructural repairs of which Venice is in such dire need. For this volume, 14 distinguished artists--Nan Goldin, Philip-Lorca diCorcia, Candida Hofer, Hiroshi Watanabe, Lynne Cohen, Dionisio Gonzalez, Tiina Itkonen, Mimmo Jodice, Jules Spinatsch, Pierre Gonnord, Robert Walker, Tim Parchikov, Antonio Girbes and Matthias Schaller--have been invited to Venice to create images of the city and donate their creative vision for the benefit of the city's future.
