Many of us are saying: Why us, why terrorism on America? The reason Islamic-Arabs think the way they do is because they have a different God than Christians and Jews. In this book the differences in God is what matters. Above all, the Christians and Muslims have both expressed love for their god. The sad part I believe is [when you examine this area] most people think the Muslim god is the same as the Christian God, because we seem to have the same prophets, champions. But this is far from the truth. As you read this book, you will notice me picking out what I feel are Islamic distortions, deletions, and generalizations, to persuade mankind to migrate to their god; I call this the great lie. If you really love God you will be after his heart, not his soul. Instead of trying to find the mind of the Islamic-Arab, let's look at his god, is that not how we walk our walk in life, according to our faith. Being a Licensed Counselor [2002], as well as an Ordained Minister in Good Standing [1992-93], if anything it makes you look at your religion closer, as well as others.
